

Stop Tracking!

The new 'No-Mark' StarBrush[®] eliminates ink tracking, marking,

Print clean
screens
& solids on
coated stocks!

Replaces these old style metal spiked guide wheels that scratch and mark stocks.

A SIMPLE CHOICE

FOR IMPROVEMENT IN PRINT QUALITY AND BOTTOM LINE RESULTS!

- ◆ The TEFCLEAN™ coated soft bristles on 'No-Mark' StarBrushes[®] repel oil and rubber based inks.
- ◆ They spin with the stock for a gentle "Floating Kiss" impression free of ink tracking, marks and scratches.
- ◆ Long lasting, maintenance-free, fully adjustable. Installation takes only minutes!
- ◆ Economical - 'No-Mark' StarBrushes[®] will speed set-up, reduce spoilage, and save you money!
- ◆ 6-Month Unconditional Money-Back Guarantee.
- ◆ 'No-Mark' StarBrushes[®] fit all presses that have 1-1/4" diameter steel or plastic wheels riding on a 13/32 (0.40") shaft (See photos above or call if you have retrofit questions).

✓ **Only \$385**
Per Set of 24

Order your 'No-Mark' StarBrush[®] set today. If you have skeleton wheels on your press be sure to ask about 'No-Mark' Starwheels, the number one anti-tracking solution for over 10 years!
